HOME OCCUPATION REGULATIONS

A Home Occupation is any occupation or profession carried on entirely within a dwelling by one or more occupants thereof, provided that such use is clearly incidental and secondary to the use of the dwelling for dwelling purposes.

Two (2) spaces per home occupation in addition to residence requirements are required in addition to two (2) spaces per dwelling unit (4 total).

Home occupations are permitted in the primary dwelling only as an accessory use.

Home occupations shall be permitted subject to the following limitations: that no more than twenty-five (25) percent of the total floor area or five hundred (500) square feet, whichever is less, is used for such purposes; that no sign or display of products be visible from the streets; that no mechanical or electrical equipment is installed or used other than is normally used for domestic, professional, or hobby purposes, or for infrequent consultation or emergency treatment; and that no more than one person not a resident of said dwelling is employed in connection with the home occupation. Traffic generated by the home occupation shall not exceed the traffic volumes generated by nearby residents.
